*“Written recommendations from my delighted clients are like gold when it comes to growing my business. The challenge is getting clients to provide them. That’s why I rely on Tricia Molloy.”*

**Melissa Galt, Prosper by Design**

*“When Tricia Molloy told me what she charged for writing client testimonials, I thought that was way too much. Then she sent me the first group of 15 quotes and I realized it wasn’t enough. I was blown away by how she captured each client’s story in a few powerful sentences. It’s a unique talent. This is a great investment!”*

**Mark J. Friedman, Divorce Attorney**

**Best referrals** are to consultants, coaches, attorneys and home improvement companies.
