

“Hi I’m Justin Fascilla, Owner of Verified Home Services. From A – Z from Air Conditioning all the way to Wood Rot Repair.”

- **Verified Home Services is the premier home service guide for metro Atlanta working closely with home service and improvement contractors in the categories of: Plumbing, HVAC, Electrical, Roofing, Flooring, Handyman and many more.**
- **We provide the best ROI because of the plan we put in place working closely with you, the contractor, to identify your target customer and demographic that will receive my book at their home. Once you get into my publication you won't want to leave.**
- **We do a background check on every company that they will be a verified and reliable company for my publication.**
- **Most of my clients connect with me by referral or via receiving at home.**
- **We were founded in 2010. We specialize in helping the contractor connect with their customer demographic.**
- **We have home services from A to Z.**
